

Mobility Transport

Fleet Management Solution

Complete Visibility of Your Fleet in Real-Time

Managing mobile employees that provide care to clients, deliver medical supplies, or transport individuals is a complex and demanding task. Safety on the job and customer care are top priority. Geotab's secure and sophisticated fleet management solutions offer the insight, visibility and actionable alerts that you need to improve your customer service and lower costs.

Business Intelligence for Tangible Results

- + Increase customer visits per day and decrease response time.
- + Improve productivity with dispatching and routing management.
- + Increase safety with benchmarking and driver coaching.
- + Report more accurate arrival times.
- + Reduce fuel costs.
- + Enhance customer satisfaction.
